

**RESOLUTION NO- 2011-022**

**A RESOLUTION OF THE KEY WEST PLANNING BOARD TO ALLOW THE CONSTRUCTION OF A TWO ROOM ADDITION BY GRANTING VARIANCES TO THE FRONT-YARD SETBACK REQUIREMENTS FOR PROPERTY LOCATED AT 611 GRINNELL STREET #1 (RE#00010810-000000), PURSUANT TO SECTION 122-630 (6) a. UNDER THE CODE OF ORDINANCES OF THE CITY OF KEY WEST, FLORIDA; PROVIDING FOR AN EFFECTIVE DATE.**

**WHEREAS**, Section 122-630(6) a. of the Code of Ordinances provides that the front-yard setback is 10 feet in the HHDR zoning district; and

**WHEREAS**, the applicant requested variances to the front-yard setback to allow the construction of a two-room addition; and

**WHEREAS**, this matter came before the Planning Board at a duly noticed public hearing on May 19, 2011; and

**WHEREAS**, the Planning Board finds that special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other land, structures or buildings in the same district; and

**WHEREAS**, the Planning Board finds that the special conditions do not result from the

action or negligence of the applicant; and

**WHEREAS**, the Planning Board finds that granting the variances requested will not confer upon the applicant any special privileges denied by the land development regulations to other lands, buildings or structures in the same zoning district; and

**WHEREAS**, the Planning Board finds that the literal interpretation of the provisions of the land development regulations would deprive the applicant of rights commonly enjoyed by other properties in this same zoning district under the terms of this ordinance and would work unnecessary and undue hardship on the applicant; and

**WHEREAS**, the Planning Board finds that the variance granted is the minimum variance that will make possible the reasonable use of the land, building or structure; and

**WHEREAS**, the Planning Board finds that the granting of the variance will be in harmony with the general intent and purpose of the land development regulations and that such variance will not be injurious to the area involved or otherwise detrimental to the public interest or welfare; and

**WHEREAS**, the Planning Board finds that no non-conforming use of neighboring lands, structures, or buildings in the same district, and no permitted use of lands, structures or buildings in other districts shall be considered grounds for the issuance of any variance; and

**WHEREAS**, the Planning Board finds that the applicant has demonstrated a “good neighbor policy” by contacting or making a reasonable attempt to contact all noticed property owners who have objected to the variance application, and by addressing the objections expressed by those neighbors;

**NOW, THEREFORE, BE IT RESOLVED** by the Planning Board of the City of Key West, Florida:

**Section 1.** That the above recitals are incorporated by reference as if fully set forth herein.

**Section 2.** That a variance for the front- yard setback requirement, for project in the Historic High Density Residential (HHDR) zoning district for property located at 611 Grinnell Street #1 (RE # 00010810-000000), per Section 122-630 (6) a. of the Land Development Regulations of the Code of Ordinances of the City of Key West, Florida, as shown on the attached plan set dated March 3, 2011.

**Section 3.** It is a condition of these variances that full, complete, and final application for all permits required for any new construction for any use and occupancy for which these variances are wholly or partly necessary, whether or not such construction is suggested or proposed in the documents presented in support of these variances, shall be submitted in its entirety within two years after the date hereof; and further, that no application or reapplication for new construction for which the variances are wholly or partly necessary shall be made after expiration of the two-year period

without the applicant obtaining an extension from the Planning Board and demonstrating that no change of circumstances to the property or its underlying zoning has occurred.

**Section 4.** The failure to submit a full and complete application for permits for new construction for which these variances are wholly or partly necessary, or the failure to complete new construction for use and occupancy pursuant to these variances in accordance with the terms of a City building permit issued upon timely application as described in Section 3 hereof, shall immediately operate to terminate these variances, which variances shall be of no force or effect.

**Section 5.** These variances do not constitute a finding as to ownership or right to possession of the property, and assumes, without finding, the correctness of applicant's assertion of legal authority respecting the property.

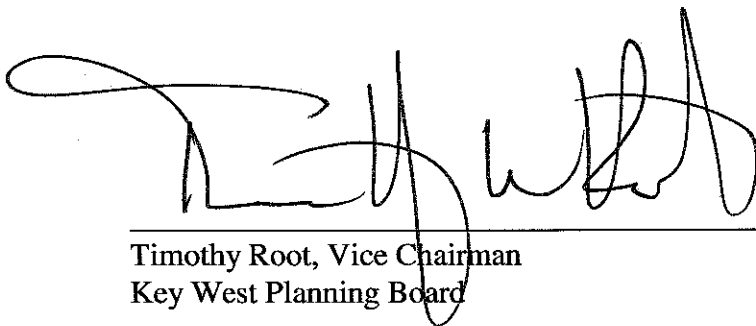

**Section 6.** This Resolution shall go into effect immediately upon its passage and adoption and authentication by the signatures of the presiding officer and the Clerk of the Commission.

**Section 7.** This resolution is subject to appeal periods as provided by the City of Key West Code of Ordinances (including the Land Development Regulations). After the City appeal period has expired, this permit or development order will be rendered to the Florida Department of Community Affairs. Pursuant to Chapter 9J-1, F.A.C., this permit or development order is not effective for forty five (45) days after it has been properly rendered to the DCA with all exhibits and applications

attached to or incorporated by reference in this approval; that within the forty five (45) day review period the DCA can appeal the permit or development order to the Florida Land and Water Adjudicatory Commission; and that such an appeal stays the effectiveness of the permit until the appeal is resolved by agreement or order.

Read and passed on first reading at a regularly scheduled meeting held this 19th day of May, 2011.
